Dear Commissioner Burke:

On behalf of AMERIGROUP New York, LLC D/B/A, Health Plus, an Amerigroup Company, I am writing to a Letter of Interest to coordinate specialized services for individuals with intellectual and/or developmental disabilities as a mainstream managed care Medicaid plan as well as a Managed Long Term Care (MLTC) plan. HealthPlus currently provides managed care services to members in the Bronx, Kings, Nassau, New York, Orange, Putnam, Queens and Richmond Counties. We have filed a request for MLTC expansion in Suffolk, and Westchester counties as of February 26th, 2013 and expect to be approved in the near future.

In addition, HealthPlus is interested in participating as a DISCO provider and we are in active discussions with a large group of not-for-profit intellectual and/or developmental disabilities service providers and if mutually agreed upon, anticipate finalizing a partnership by the end of May. The alliance of providers are currently serving individuals with intellectual and/or developmental disabilities in Bronx, Kings, Nassau, New York, Orange, Queens, Richmond, Rockland, Suffolk, Ulster, and Westchester counties.

Please let me know if you need any additional information or have questions regarding this Letter of Interest.

Regards,

Bob Wychulis
