### No Cost Business Services:

- Pre-employment services - connecting future employees with companies through internships, mentoring and training that is customized to the business need.
- Recruitment and referral of qualified applicants.
- Staff training on disability awareness, the ADA, other employment laws including topics related to workplace accommodations and assistive technology in the workplace.
- Diversity program strategies that support inclusion of people with disabilities as customers and employees.
- Retention programs to support employees who develop or acquire a disability.
- Financial supports including access to tax credits and/or deductions available for hiring or accommodating people with disabilities.
