If a business engages in knowing or reckless violations, the court can impose a civil penalty of the greater of \$5,000 or \$10 per instance of failed notification up to \$150,000. Please ensure care is taken to properly dispose of cigarette butts and rubbish while on OPWDD property.

Effective June 19, 2006, contractors doing business with the State of New York in a "consulting" capacity will be required to file forms disclosing, by employment category, the number of persons employed by them and their subcontractors (if any) as a consulting firm or an individual consultant; the number of hours worked; and the monetary compensation received from the State of New York

for work performed by these employees. Reporting will be required via the utilization of two separate forms – “Form A” and “Form B”.

In general, however, Form A is to be completed once upon initial contract award and is used to report “planned employment”. Form B is required annually and reports on “actual employment figures” for the preceding state fiscal year. The New York State fiscal year commences on April 1st and concludes on March 31st.

17. Evaluation Criteria: Method of Award

There are six (6) lots; each lot will be evaluated separately. OPWDD will select the responsible and responsive Bidder(s) that will provide the lowest Total Estimated Combined Cost per lot. Total Estimated Combined Cost for each lot will be calculated by adding the sum of: (A) Total Annual Service Inspections, (B) the Total Estimated Annual Maintenance/Emergency Repairs, and (C) Total Estimated Annual Parts with Markup. Repair hours are estimated as detailed on each lot’s Cost Proposal Form. Normal working hours are Monday-Friday 8am-5pm. Off Hours are: Monday-Friday 5:01pm-7:59am; all day Saturday and Sunday; and Holidays as listed in the Qualifications & Scope of Work. Parts are based on an estimated dollar amount (that varies per lot) plus markup percentage. Vendors may bid on one or multiple lots and multiple contracts may be awarded. All sites included in a lot are to be serviced by the bidder who is awarded the contract for that lot. Only proposals judged to be responsive to the submission requirements set forth in this IFB will be evaluated. OPWDD reserves the right to reject any and all offers.

In the event of a tie bid, the award will be made by random selection.
