

# Rebalancing Residential Resources

**NYS OPWDD Office of Home and Community  
Living  
HOUSING FORUM**

**March 31, 2014**

## Where do we go from here?

### Shared understandings:

- The current residential living infrastructure is unsustainable.
- OPWDD has made a strong start in expanding resources and system capacity. Building *“Continuum of Housing Options for People with Developmental Disabilities”*.

## Where do we go from here?

### Guiding Principles:

- Our solution must promote greater integration of persons with disabilities.
- Functional separation of housing and services is required.
- Safety and health issues can be addressed in any setting.
- Reducing costs is essential.
