

NEW YORK STATE OFFICE FOR PEOPLE WITH DEVELOPMENTAL DISABILITIES (OPWDD)

ELECTRONIC HEALTH RECORD (EHR)

October 20, 2014

The New York State Office for People with Developmental Disabilities (OPWDD) is soliciting proposals for a vendor hosted automated Electronic Health Record (EHR) for OPWDD's state-run and operated residential, clinic, and day service systems. The current and complete RFP, dated October 15, 2014, can be found at:

http://www.opwdd.ny.gov/opwdd_resources/procurement_opportunities

This memorandum will clarify item number 4 on the October 15th Notification of Changes to the RFP. Item number 4 states "*Section 4 titled Mandatory Bidder Requirements was modified. Bidders must provide OPWDD with documentation of their federal certification no later than the date of contract signing.*" The EHR must be federally certified as meeting federal meaningful use standards, stage one and stage two. Bidders must demonstrate federal certification no later than February 2, 2015. Please see the procurement timetable, section 2.8 of the current RFP, for additional target dates as well as Section 5.1 item 9 for submission requirements.

Bidders are reminded that all proposals must be received by November 3, 2014 prior to 3:00 P.M. Faxed or emailed bids will not be accepted.

We sincerely thank you for your interest in the EHR RFP.

Sincerely,
Virginia Scott-Adams, Psy.D.
Deputy Director
OPWDD Statewide Services
