USING THE PRAISE CURRICULUM

Training using the PRAISE curriculum fulfills the requirement in OPWDD regulations to be trained in promoting positive relationships and various aspects of incident management (see 14 NYCRR Sec. 633.8(a)(1)(iii) – (vi)). These regulations require that employees, volunteers and family care providers be trained on an annual basis.

The PRAISE curriculum is written for OPWDD DDSOO employees. These employees are custodians as defined in the Social Services Law and in OPWDD regulations and are required to sign the Code of Conduct and report to the Justice Center.

If the PRAISE curriculum is used to provide training to other individuals, it may need to be adapted based on differences in statutory and regulatory requirements regarding reporting to the Justice Center and signing the Code of Conduct. Adaptations of the curriculum should be made to reflect the differences as noted below.

Family care providers and family care respite/substitute providers:

Family care providers and family care respite/substitute providers are “custodians” and are required to sign the Code of Conduct. When training these individuals, everything in the curriculum applicable to employees is applicable to the family care provider. Family care providers and respite/substitute providers should be made aware of the procedures for reporting incidents within OPWDD (e.g. to the family care liaison) or the sponsoring agency. Family care providers must be trained on an annual basis.

OPWDD – other employees, volunteers, contractors, and consultants:

Volunteers, contractors, and consultants who are custodians

The term, “custodian” includes volunteers at a DDSOO; and contractors and consultants of the DDSOO who have regular and substantial contact with individuals receiving services. Pursuant to Justice Center guidance, all custodians at the DDSOO must sign the Code of Conduct. When training these individuals, everything in the curriculum applicable to employees is applicable to all custodians. DDSOO volunteers must be trained on an annual basis.

OPWDD employees who are not custodians

OPWDD employees who are not custodians (e.g. Central Office employees, DDRO employees) are not required to sign the Code of Conduct. If you are training these employees, note that some OPWDD employees who are not custodians (typically, licensed clinicians) are “mandated reporters” according to the Justice Center law. This means that they are required to report abuse, neglect and significant incidents that occur in any program operated or certified by OPWDD to the Justice Center if they witness or discover the incident. First-line supervisors who are notified are also required to report to the Justice Center.

All OPWDD employees (whether or not they are “mandated reporters” according to the Justice Center law) are required to report reportable incidents and notable occurrences within OPWDD, typically to their supervisor. If any OPWDD employee becomes aware of a reportable incident that occurs in a program certified or operated by OPWDD, he or she should call the

Revised 10/2018
Justice Center. When training these individuals, please adapt the curriculum accordingly. **All OPWDD employees must be trained on an annual basis.**

**Voluntary agencies:**

**Certified facilities**

Custodians in certified facilities are subject to the same requirements as OPWDD employees. Custodians include employees, volunteers, operators, and directors; and consultants and contractors who have regular and substantial contact with individuals receiving services. These individuals must sign the Code of Conduct and report reportable incidents to the Justice Center. Employees and volunteers must be trained on an annual basis.

**Non-certified services**

Employees, volunteers and others who have contact with individuals in non-certified services are not required to sign the Code of Conduct. Incidents that occur in non-certified facilities are subject to all of the same requirements as incidents in certified facilities EXCEPT that incidents are not reported to the Justice Center. The same definitions of incidents apply. Reportable incidents and all notable occurrences are reported within the agency. Reportable incidents and serious notable occurrences are reported to OPWDD.

If you are training these individuals, note that some of these individuals (typically clinicians) are “mandated reporters” according to the Justice Center law. If they become aware of reportable incidents that occur in programs certified or operated by OPWDD these individuals must report to the Justice Center. (Mandated reporters who witness or discover an incident or who are first-line supervisors who are notified must report.) Again, incidents occurring under the auspices of the non-certified service would NOT be reported to the Justice Center. Deaths of individuals who receive ONLY non-certified services are not reported to the Justice Center. Employees and volunteers must be trained on an annual basis.
PRIOR TO THE TRAINING SESSION

Equipment and Supplies you’ll need:

All curricular materials listed below can be accessed at https://opwdd.ny.gov/opwdd_careers_training/training_opportunities under Resources for Providers and Instructors.

1. One Instructor’s Manual for your use.
2. One Participant’s Manual for each learner in the class that includes handouts 1-5 (also in the back of this manual) for each participant as follows
3. Handout #1: OPWDD 147 (Rev. 1/2016)
4. Handout #2: OPWDD 147 Completion Instructions (Rev. 1/2016)
5. Handout #3: OPWDD 150 (8/2013)
6. Handout #4: OPWDD 150 Completion Instructions (8/2013)
7. Handout #5: PRAISE Evaluation Form
8. Handout #6: One blank sign-in sheet (Please write in the name of the facility and the date of the class)

Resources:

1. Look up the resources included in the content of this manual, prior to the course, so you will have an ability to describe what they are and how they might be useful to your learners.

General Instructions:

Thank you for facilitating this important program. Your support is vital to the success of this initiative. Please review the following guidelines.

1. Before the training session you should become comfortable with the training materials. You will find instructor notes to guide you through the session included in the body of the Instructor Manual. Action words, such as “say” will help you with the presentation of information and guided group activities. Italicized content (such as examples of responses) in the instructor manual are for the instructor’s reference and are not included in the participant manual. Read the manual carefully; prepare work related examples to share with the group. If you have any questions, please discuss them with your supervisor prior to your training session.

2. At the session, make sure everyone signs the attendance sheet.

3. Encourage active participation from the group. Some activities have been built into the course to help you do this. Ask questions and discuss scenarios that may arise in your workplace. Be open to all questions and comments. Seats placed in a circle or horseshoe may help to facilitate discussion and learner’s ability to see and hear you and each other.
4. Refer employees to resources listed in their Participant’s Manual for later use. Remind employees to keep their Manual for future reference.

5. Be prepared for the possibility that a learner may report an allegation of abuse during the presentation. Address it openly, without causing a sense of guilt and thank the person for being willing to raise the question. Ensure that the allegation is also reported to OPWDD Incident Management for appropriate follow up.

6. Provide an opportunity for questions at the end of the session. There is a lot of new material, so remind your learners that they can refer to their Manual for guidance, and as always can ask their supervisor, their chain of command, and their Incident Management staff for assistance when they are unsure.

7. Thank your learners for their time and attention.
Unit 1 – Welcome and Opening

Say:

OPWDD serves individuals with developmental disabilities with a set of values which include supporting human dignity, showing compassion, promoting honesty and providing for excellence in all that we do. This training is being provided to remind us all about our responsibilities to demonstrate these core values when we support the people we serve. To gain the most benefit from this training, it is expected that each employee will participate fully in the discussions and activities to gain deeper understanding of the importance and impact of their work to those people we serve.

In December 2012, Governor Andrew Cuomo signed legislation creating the Justice Center for the Protection of People with Special Needs (Justice Center), an initiative that is transforming how the state protects over one million New Yorkers in state operated, certified, or licensed facilities and programs. This law, the 2012 Protection of People with Special Needs Act (PPSNA), established a set of uniform standards to be implemented by the Justice Center for the protection of people receiving services from facilities and programs that are certified and/or operated by a number of state agencies, including OPWDD. The PPSNA requires significant changes to OPWDD’s long-standing incident management requirements. New definitions have been added to Part 624 in conformance with NYS Social Services Law. The new definitions for familiar terms such as physical abuse, sexual abuse, and psychological abuse are significantly different from the definitions in previous OPWDD regulations. This session will review these new definitions and reporting requirements.

Course Objectives:

Read the course objectives below and ask if everyone understands what they will be doing in this course.

Say:

Upon completion of this course, the participants will be able to:

- Discuss how putting the person first means supporting individuals with developmental disabilities to build positive relationships.
- Exhibit the qualities of respect and sensitivity. Understand why “person-first” language is important while speaking with and about individuals and how to practice it.
- Identify ways to deliver supports that provide opportunities to pursue meaningful activities in the community that encourage free and informed choice in service planning tailored to the individual’s interests.
- Discuss the responsibilities of every employee to protect each supported individual with developmental disabilities from harm—to recognize, stop, and report abuse—and to uphold and to advocate for his/her rights.
- Describe, in their own words, the various Reportable Incidents and Notable Occurrences that are discussed in the course.
OPWDD’s guiding principle of putting people with developmental disabilities first centers on positive relationships and respectful interactions, as well as an organizational culture where individuals’ rights are protected and abuse is not tolerated. The way in which we communicate with people can also help build and maintain positive relationships. By avoiding the use of labels and considering each person’s needs and preferences first, we show respect for one another.

**Developing genuine, caring relationships:**

**Warm-Up Activity: Starting a Positive Relationship**

Imagine a friend asks you to go to a party or get together. You say yes and agree to meet them there. When you get there, your friend texts you to say they are running late. What do you do? How do you decide who to approach? What do you say?

**Sample responses:**
- Look for friendly people and smiles
- Introduce yourself to others
- Ask questions to get to know people and find similar interests
- Be approachable

**How does this apply to the workplace? How do you get to know people?**

**Sample responses:**
- Show respect
- Learn the person’s name
- Be approachable
- Be friendly and smile
- Be concerned and interested in the person
- Look at the person when they communicate with you and be responsive
- Avoid using labels or stereotypes
- Ask questions to gain information and to show you are listening

**Say:**

Person–first language focuses on the whole person, and not just on a person’s personal qualities or traits.
It is important to view and treat each person you support as a unique individual. Greeting each person by name is an important aspect of using person-first language and of respecting each person’s individuality.

It is only through interaction and exchange that we can begin to understand each person as a unique individual. Listening and learning from everything the person says and does.

If the person does not use words to speak, learn to listen and observe in other ways like their gestures and facial expressions and find the people who know that person best. Observe the person in different environments and really see what they like and dislike and help them to experience new things.

Some labels we hear tend to group people by traits rather than identifying them as individuals. Stereotyping individuals by traits is demeaning and disrespectful. Use the individual’s name when speaking to or about him/her. In your role it is important that you incorporate person first language into your daily activities and treat each person as a unique individual in your support of him/her, we would now like to go over some activities that help you to ensure that you always put the person first.

Say:

**Think of situations in which you may need to demonstrate respect and sensitivity through the use of person centered language:**

Examples

1. When introducing the individual to a new person.
2. When discussing your work assignment with fellow staff members.
3. When discussing the individual’s plan with his/her family.

Say:

Treat each person as an individual with his/her own unique needs, hopes and dreams that you can help him/her to move forward with every day. Support each person the best you can to make his/her own choices. Individuals can choose the life they want including where they live and work, what day services they receive, and what they do with their recreational time - they choose their services and service providers. This helps them to have a meaningful and enriched life.

Say:

Let’s take a few minutes to discover how we develop our own goals and learn about the goals of coworkers and friends.
Group Activity: The Unique Individual and Personal Life Planning

Participant Manual p3

Instructions: Pair up with the person sitting next to you. Ask your partner questions to discover what their strengths are, what they are interested in learning about, and what their goals are. You may need to help them develop a plan.

Strengths: Think about a strength or skill you have that you like to share with others.
What is your strength? _____________________________
How can you share this with others? ________________

Interested In: Think about a topic you are interested in exploring or a skill you are interested in developing.
What do you want to learn about? __________________
How can you find information on this? ________________________________

Goal-Setting and Attainment: Like a New Year’s resolution—think about an aspect of life you want to enrich or change.
What is one thing in your life that you would like to build on or improve? ______
What is the first step toward achieving this goal? ________________________________

Instructor Notes: Call on a few participants to discuss their results with the group and allow for comments. Discuss how this brainstorming sheet can be used to discover and encourage what matters to each individual and to support an individual’s progress toward his/her goals. Staff should discuss how the activity may help each individual to live a richer life through personal growth and discovery.

Transition:

Say:
The activity we just covered is an aid to get you thinking about individuals, what their strengths are, what they are interested in learning about, or skills they would like to develop. We can help the individual develop a plan to make choices, reach personal goals and interact with the community and world around them.

Once you learn about a person’s unique capacities, personality, and potential, you can assist them with making informed choices and facilitate their life planning activities.
Group Activity: Choice

*Participant Manual p4*

List a few ways you can support a person to make informed choices.

1. ____________
2. ____________
3. ____________
4. ____________
5. ____________

Sample Responses:

- By researching activities and resources and providing the individual with many options with detailed explanations of each. By presenting this information in an accessible and engaging way, such as through a brochure or a book.
- By working with the individual to pair opportunities with his/her goals, interests, and abilities.
- By offering encouragement and coaching through dialogue, such as, “You have great enthusiasm and energy. I know you’ll select something great and I’m here to support you through the experience while you decide if it’s a good fit for you.”
- By offering guidance as advice only, and not being pushy or interfering once the advice is communicated and the individual’s true and final stance on the matter is clear.

Transition:

*Say:*

In our last activity, we discussed how staff support each individual to make choices. Next, we will discuss circumstances that require flexibility to honor an individual’s choices.

Group Activity: Flexibility

*Participant Manual p4*

*Say:*

Be conscious in your support activities of blanket rules and practices that can restrict people’s freedom to choose what they want to do and when. Blanket rules can limit people’s rights even if it wasn’t the program’s intention to do so. In some cases, these rules came about in response to situations that were meant to protect and help people. However, it is important that we are all on guard against practices that no longer make sense and instead can unnecessarily restrict people’s rights without the appropriate justifications. Sometimes individualized plans may outline necessary restrictions, but those restrictions should only be
applied to the person for whom the rules were designed. All restrictions need to be time limited, reviewed periodically, and have the informed consent of the individual.

Instructor Notes: Ask staff to answer the following questions, and review 1-2 Points to Consider of their choice with the group:

Say:

Do individuals have to shower at the same time, such as, in the evening?

Points to Consider:

- Does any individual require special assistance in the shower?
- What is each individual’s support schedule (time of day they need to take medicine, eat, meet with therapist, etc.)?
- Is there adequate time to clean the bathroom in between showers?

Can an individual have or get a snack between meal times?

Points to Consider:

- Can the person access a food or a snack without staff support or without out staff needing to provide access?
- Is the snack or food item something that is preferred by the person?
- If one staff member needs to attend to a special request to provide support, is there another staff member available to provide oversight and attentiveness to remaining individuals under his/her care?

If an individual wants to eat something that is not on the menu. What are the possibilities?

Points to Consider:

- Can food selection be pre-determined based on input collected from individuals in the residence?
- Can trips to the grocery store be spontaneous and not pre-planned?
- Can food delivery or restaurant meals be spontaneous and not pre-planned?

If an individual wants to sign up for a class for continuing education in photography, can he/she do so?

Points to Consider:

- How can staff find resources for activities accessible to individuals with developmental disabilities?
- How can staff provide information about activities in plain language terms?
- How can staff arrange transportation to planned and unplanned activities?
- How can staff arrange accommodation during planned and unplanned activities?

If an individual wants privacy by having the ability to lock his/her bedroom door, can he/she do so?
Points to Consider:

- Do all bedroom doors in residences already come with a lock on the inside?
- Can the person easily lock and unlock the door?
- If an individual loses his/her key, who else should have the ability to unlock the door?

Transition:

Say:

We have gone through how staff may promote positive relationships and reviewed several activities. These activities assist us in supporting each individual to live a full and self-determined life. By discovering what is important to each individual, we may support him/her to create and to pursue his/her own personal objectives. We will now review the Justice Center Code of Conduct, the code provides a framework or a philosophy to guide your actions. The code does not give you a list of “things to do.”
You have all signed this code. Please review the 10 provisions of this code, and then we’ll discuss how you can use it to help guide your actions. (Give the staff a few minutes to review the code):

Introduction

The Code of Conduct, as set forth in the Code of Conduct itself, sets forth a framework intended to assist impacted employees to help people with special needs "live self-directed, meaningful lives in their communities, free from abuse and neglect, and protected from harm," in addition to the specific guidance provided by the agency's policies and training.

Similarly, the Notice to Mandated Reporters contains guidance designed to assist mandated reporters, and is intended to provide a summary of reporting obligations for mandated reporters. It is not intended to supplement or in any way add to the reporting obligations provided by law, rule, or regulation.

As provided by law, rule, or regulation, only custodians who have or will have regular and direct contact with vulnerable persons receiving services or support from facilities or providers covered by the Justice Center Act must sign that they have read and understand the Code of Conduct.

The framework provides:

1. Person-Centered Approach
   My primary duty is to the people who receive supports and services from this organization. I acknowledge that each person of suitable age must have the opportunity to direct his or her own life, honoring, where consistent with agency policy, their right to assume risk in a safe manner, and recognizing each person’s potential for lifelong learning and growth. I understand that my job will require flexibility, creativity and commitment. Whenever consistent with agency policy, I will work to support the individual’s preferences and interests.

   - Instructor Notes:
     Say: How may I adopt a person-centered approach to services and supports? Call on staff to answer.
     Sample Responses:
     - I will ensure that treatment is implemented in a community integrated setting that feels homelike and prevents the supported individual from experiencing an institutional or confining environment.
I will support individuals to engage in and to discover concrete and varied life experiences.
I will work to ensure that each individual is satisfied with the support I provide for him/her to pursue activities that are meaningful to him/her.

2. Physical, Emotional and Personal Well-being
I will promote the physical, emotional and personal well-being of any person who receives services and supports from this organization, including their protection from abuse and neglect and reducing their risk of harm to others and themselves.

- Instructor Notes:
  Say: How may I promote an individual’s physical, emotional and personal well-being? Call on staff to answer.
  Sample Responses:
  - I will work with each individual to reach his/her optimal level of well-being and desired health outcomes.
  - I will develop an awareness of how each individual is feeling on a day-to-day basis through observation of verbal and non-verbal cues. I will intervene if I notice that an individual seems to be having difficulty or discomfort of any kind.

3. Respect, Dignity and Choice
I will respect the dignity and individuality of any person who receives services and supports from this organization and honor his/her choices and preferences whenever possible and consistent with agency policy. I will help people receiving supports and services use the opportunities and resources available to all in the community, whenever possible and consistent with agency policy.

- Instructor Notes:
  Say: How can I show respect for the dignity of the individuals receiving services? Call on staff to answer.
  Sample Responses:
  - I will protect each individual’s right to privacy.
  Say: We have reviewed ways in which you may support an individual’s choice, such as through our goal-setting, choice, and flexibility activities. Individuals have the option to choose activities that are meaningful to them and to select their relationships. The activities demonstrate ways in which you may support this right to choice.

4. Self-Determination
I will help people receiving supports and services realize their rights and responsibilities, and, as consistent with agency policy, make informed decisions and understand their options related to their physical health and emotional well-being.

- Instructor Notes:
**Say:** How may I encourage an individual’s self-determination? *Call on staff to answer.*

**Sample Responses:**
- *I will ensure that I do not impose blanket house rules on a supported individual that limit his/her rights, independence, choices, or autonomy.*
- *I will support the independence of each individual by allowing him/her to come and go as he/she pleases with independent access to the residence without limiting this freedom based on my own value judgment of his/her cognitive and physical abilities.*
- *I will provide information in plain language terms to assist each individual to make an informed decision.*
- *I will give each individual the freedom to direct his/her service plan and to modify it according to his/her wishes.*

5. **Relationships**
I will help each individual receiving services and supports to maintain or to develop healthy relationships with family and friends. I will support him/her in making informed choices about safely expressing his/her sexuality and other preferences, whenever possible and appropriate.

- **Instructor Notes:**
  - *Say:* How may I support an individual to develop meaningful relationships? *Call on staff to answer.*
  - **Sample Responses:**
    - *I will support each individual to develop social support networks*
    - *I will promote each individual’s right to decide with whom he/she wishes to associate.*
    - *I will encourage each individual to interact regularly with people who are important to him/her and to ensure that he/she is satisfied with the type and frequency of interactions.*
    - *I will help each individual to cultivate varied relationships in the broader community.*

6. **Advocacy**
I will advocate for justice, inclusion, and community participation with, or on behalf of, any person who receives services and supports from this organization, as consistent with agency policy. I will promote justice, fairness and equality, and respect their human, civil and legal rights.

- **Instructor Notes:**
  - *Say:* How may I advocate for the rights of an individual receiving services? *Call on staff to answer.*
  - **Sample Responses:**
    - *I will advocate for the protection of rights for each individual with a developmental disability in service settings, the broader community, and greater society—these rights include the rights to freedom, choice, self-determination; privacy and dignity; independent access to a residence that*
is free from restraint; informed tenancy agreements; and due process of law.

7. **Personal Health Information and Confidentiality**
   I understand that persons served by my organization have the right to privacy and confidentiality with respect to their personal health information and I will protect this information from unauthorized use or disclosure, except as required or permitted by law, rule, or regulation.

8. **Non-Discrimination**
   I will not discriminate against people receiving services and supports or colleagues based on race, religion, national origin, sex, age, sexual orientation, economic condition or disability.
   - **Instructor Notes:**
     *Say:* How may I uphold a policy of non-discrimination? *Call on staff to answer.*
   - **Sample Responses:**
     - I will support non-discrimination toward individuals with developmental disabilities in social settings and in the workplace, which includes fair and equal treatment and prevention of stigma, stereotypes, and otherization.

9. **Integrity, Responsibility and Professional Competency**
   I will reinforce the values of this organization when it does not compromise the well-being of any person who receives services and supports. I will maintain my skills and competency through continued learning, including all training provided by this organization. I will actively seek advice and guidance of others whenever I am uncertain about an appropriate course of action. I will not misrepresent my professional qualifications or affiliations. I will demonstrate model behavior to all, including persons receiving services and supports.
   - **Instructor Notes:**
     *Say:* How may I demonstrate integrity, responsibility, and professional competency in my role as a Direct Support Professional? *Call on staff for answers.*
   - **Sample Responses:**
     - I always will put the individual’s best interests first.
     - I will intervene to protect the individual from harm.
     - I will fulfill my duties in a timely and responsible way.
     - I will collaborate with staff to support the individual’s well-being and growth.
     - I will seek assistance if I am unsure of guidelines or procedures.
     - I will participate in continuous training provided at the agency.

10. **Reporting Requirement**
    As a mandated reporter, I acknowledge my legal obligation under Social Services Law § 491, as may be amended from time to time or superseded, to report all allegations of reportable incidents immediately upon discovery to the Justice Center’s Vulnerable Persons’ Central Register by calling 1-855-373-2122.
Unit 3 – Employee Responsibilities for Protecting Individuals from Harm

Participant Manual p11

Say:
As we have just discussed, there are a number of expectations placed upon every employee of OPWDD. We have just discussed your responsibilities in regards to striving every day to follow a code of conduct aimed at promoting dignity, respect and positive relationships, as well as ensuring protections for the individuals served. Let’s review 3 major responsibilities in regards to ensuring protections:

- **Responsibility 1** – Recognize and stop all forms of abuse and neglect immediately
- **Responsibility 2** – Protect the individual from further danger and harm, and seek medical attention if necessary
- **Responsibility 3** – Report incidents and occurrences as they occur or are discovered. Recognize that failure to report may be considered abuse as well

In this unit we will discuss those incidents and occurrences that must be reported. Part 624 and the new Part 625 of the New York Codes, Rules and Regulations were designed to protect people receiving OPWDD services. This unit will provide an overview of some of the requirements of that Regulation. Part 624 regulates the way in which custodians and mandated reporters respond to an incident, and it provides a framework to ensure administrative staff are made aware of problems and respond to those problems in a manner which will minimize the potential for those problems to occur again. By regulating these processes, it is believed that individuals will be protected from harm and physical or mental abuse. In addition, the quality of services provided will remain high because incidents and accidents can be better prevented.

Part 624 specifies that all Reportable Incidents and Notable Occurrences must be thoroughly investigated.

There have recently been major changes to Part 624, and a new Part 625 has been developed. Part 624 is applicable to all facilities that are operated, certified, sponsored, or funded by OPWDD. The requirements of Part 624 apply to incidents that are “under the auspices” of an agency. “Under the auspices” basically means that the incident occurs under circumstances in which the agency or family care provider is providing services to a person. For more details please refer to the Glossary in this packet. Part 625 applies to those events and situations that are not “under the auspices”, and will be discussed later.
Reportable Incidents

It is imperative that reportable incidents be reported. The reporter does not need to be concerned with the exact classification of the incident.

Please note that the term, “custodian” as used in Part 624 (including the following definitions) includes employees, volunteers, contractors, consultants and family care providers. It does not include individuals receiving services (unless they are also employees). See the glossary at the end for the complete definition.

Reportable Incidents are defined in Section 624.3 as follows:

Reportable incidents are events or situations that meet the definitions below and occur under the auspices of an agency.

(1) **Physical abuse** shall mean conduct by a custodian intentionally or recklessly causing, by physical contact, physical injury or serious or protracted impairment of the physical, mental or emotional condition of the individual receiving services, or causing the likelihood of such injury or impairment. Such conduct may include but shall not be limited to: slapping, hitting, kicking, biting, choking, smothering, shoving, dragging, throwing, punching, shaking, burning, cutting or the use of corporal punishment. Physical abuse shall not include reasonable emergency interventions necessary to protect the safety of any person.

(2) **Sexual abuse** shall mean:

   i. any conduct by a custodian that subjects a person receiving services to any offense defined in article 130 or section 255.25, 255.26 or 255.27 of the penal law, or any conduct or communication by such custodian that allows, permits, uses or encourages a service recipient to engage in any act described in articles 230 or 263 of the penal law; and/or

   ii. any sexual contact between an individual receiving services and a custodian of the program or facility which provides services to that individual whether or not the sexual contact would constitute a crime (see especially section 130.05(i) of the penal law). However, if the individual receiving services is married to the custodian the sexual contact shall not be considered sexual abuse. Further, for purposes of this subparagraph only, a person with a developmental disability who is or was receiving services and is also an employee or volunteer of an agency shall not be considered a custodian if he or she has sexual contact with another individual receiving services who is a consenting adult who has consented to such contact.

(3) **Psychological abuse** includes any verbal or nonverbal conduct that may cause significant emotional distress to an individual receiving services.
i. Examples include, but are not limited to, taunts, derogatory comments or ridicule, intimidation, threats, or the display of a weapon or other object that could reasonably be perceived by an individual receiving services as a means for infliction of pain or injury, in a manner that constitutes a threat of physical pain or injury.

ii. In order for a case of psychological abuse to be substantiated after it has been reported, the conduct must be shown to intentionally or recklessly cause, or be likely to cause, a substantial diminution of the emotional, social or behavioral development or condition of the individual receiving services. Evidence of such an effect must be supported by a clinical assessment performed by a physician, psychologist, psychiatric nurse practitioner, licensed clinical or master social worker or licensed mental health counselor.

(4) **Deliberate inappropriate use of restraints** shall mean the use of a restraint when the technique that is used, the amount of force that is used, or the situation in which the restraint is used is deliberately inconsistent with an individual’s plan of services (e.g. individualized service plan (ISP) or a habilitation plan), or behavior support plan, generally accepted treatment practices and/or applicable federal or state laws, regulations or policies, except when the restraint is used as a reasonable emergency intervention to prevent imminent risk of harm to a person receiving services or to any other party. For purposes of this paragraph, a restraint shall include the use of any manual, pharmacological or mechanical measure or device to immobilize or limit the ability of a person receiving services to freely move his or her arms, legs or body.

(5) **Use of aversive conditioning** shall mean the application of a physical stimulus that is intended to induce pain or discomfort in order to modify or change the behavior of a person receiving services. Aversive conditioning may include, but is not limited to, the use of physical stimuli such as noxious odors, noxious tastes, blindfolds, the withholding of meals and the provision of substitute foods in an unpalatable form. The use of aversive conditioning is prohibited by OPWDD.

(6) **Obstruction of reports of reportable incidents** shall mean conduct by a custodian that impedes the discovery, reporting or investigation of the treatment of a service recipient by falsifying records related to the safety, treatment or supervision of an individual receiving services; actively persuading a custodian or other mandated reporter from making a report of a reportable incident to the statewide vulnerable persons' central register (VPCR) or OPWDD with the intent to suppress the reporting of the investigation of such incident; intentionally making a false statement or intentionally withholding material information during an investigation into such a report; intentional failure of a supervisor or manager to act upon such a report in accordance with OPWDD regulations, policies or procedures; or, for a custodian failing to report a reportable incident upon discovery.

(7) **Unlawful use or administration of a controlled substance**, which shall mean any administration by a custodian to a service recipient of: a controlled substance as defined by
article thirty-three of the public health law, without a prescription; or other medication not approved for any use by the federal food and drug administration. It also shall include a custodian unlawfully using or distributing a controlled substance as defined by article 33 of the public health law, at the workplace or while on duty.

(8) Neglect shall mean any action, inaction or lack of attention that breaches a custodian’s duty and that results in or is likely to result in physical injury or serious or protracted impairment of the physical, mental or emotional condition of a service recipient. Neglect shall include, but is not limited to:

(i) failure to provide proper supervision, including a lack of proper supervision that results in conduct between persons receiving services that would constitute abuse as described in paragraphs (1) through (7) of this subdivision if committed by a custodian;

(ii) failure to provide adequate food, clothing, shelter, medical, dental, optometric or surgical care, consistent with Parts 633, 635, and 686 of this Title (and 42 CFR Part 483, applicable to Intermediate Care Facilities), and provided that the agency has reasonable access to the provision of such services and that necessary consents to any such medical, dental, optometric or surgical treatment have been sought and obtained from the appropriate parties; or

(iii) failure to provide access to educational instruction, by a custodian with a duty to ensure that an individual receives access to such instruction in accordance with the provisions of part one of article 65 of the education law and/or the individual's individualized education program.

Reportable Incidents – Abuse/Neglect (#1-8 above) MUST be reported to:

- Justice Center: every direct witness and the first-line supervisor must report unless:
  - he or she knows that the report has already been made by another mandated reporter; and
  - that he or she has been named in that report as a person with knowledge of the incident.

Having knowledge the report was made may include witnessing, reading, or overhearing the report being made to the VPCR. Although not required, obtaining the "confirmation number" from the person who reported the incident may be a good way to document the basis not to make a duplicate report to the VPCR. If there is concern or question that the report was made or that the incident was not accurately reported, it is always an acceptable practice to make a duplicate report to the VPCR.

This report may be completed one of two ways:

- By phone: Call 1-855-373-2122 (be sure to document the JC Identifier #), or
- Electronically: https://vpcr.justicecenter.ny.gov/WIRW/#/
• **OPWDD – Incident Management Unit**: This report is completed by one designated staff (every witness does not complete this report). The designated staff must call:
  - **Working hours** - Incident Management Unit (IMU) Compliance Officer, or, if unable to reach them, call the Incident Management Unit main number at (518) 473-7032
  - **Off hours** - 1-888-479-6763 off hours (a voice mail may be left unless the situation is egregious or very sensitive)
  - **Electronic notification to**: [OPWDD.Incident.Notifications@opwdd.ny.gov](mailto:OPWDD.Incident.Notifications@opwdd.ny.gov)

(9) **Significant incident** shall mean an incident, other than an incident of abuse or neglect, that because of its severity or the sensitivity of the situation may result in, or has the reasonably foreseeable potential to result in, harm to the health, safety or welfare of a person receiving services and shall include but shall not be limited to:

  (a) **Conduct between persons receiving services that would constitute abuse** as described in paragraphs (1) through (7) of this subdivision if committed by a custodian, except sexual activity involving adults who are capable of consenting and consent to the activity; or

  (b) **Conduct on the part of a custodian, that is inconsistent with the individual’s plan of services**, generally accepted treatment practices, and/or applicable federal or state laws, regulations, or policies, and that impairs or creates a reasonably foreseeable potential to impair the health, safety, or welfare of an individual receiving services; including

    (1) **Seclusion**. The placement of an individual receiving services in a room or area from which he or she cannot, or perceives that he or she cannot, leave at will, except when such placement is specifically permitted by section 633.16 of this Title. Unless permitted by Section 633.16, the use of seclusion is prohibited;

    (2) **Unauthorized use of time-out**. For the purposes of this subclause only, means the use of a procedure in which a person receiving services is removed from regular programming and isolated in a room or area for the convenience of a custodian, for disciplinary purposes, or as a substitute for programming;

    (3) except as provided for in paragraph (7) of this subdivision, the administration of a prescribed or over-the-counter medication that is inconsistent with a prescription or order issued for a service recipient by a licensed qualified health care practitioner, and that has an adverse effect on an individual receiving services. For purposes of this clause, "adverse effect" means the unanticipated and undesirable side effect from the administration
of a particular medication which unfavorably affects the wellbeing of a person receiving services;

(4) **Inappropriate use of restraints.** The use of a restraint when the technique that is used, the amount of force that is used, or the situation in which the restraint is used is inconsistent with an individual’s plan of services (including a behavior support plan), generally accepted treatment practices, and/or applicable federal or state laws, regulations, or policies. For the purposes of this subdivision, a "restraint" includes the use of any manual, pharmacological, or mechanical measure or device to immobilize or limit the ability of a person receiving services to freely move his or her arms, legs, or body; and

(5) **Mistreatment.** Other conduct on the part of a custodian, inconsistent with the individual’s plan of services, generally accepted treatment practices, and/or applicable federal or state laws, regulations, or policies, and that impairs or creates a reasonably foreseeable potential to impair the health, safety, or welfare of an individual receiving services, except as described in any other provision of this subdivision.

(d) **Unauthorized absence.** The unexpected or unauthorized absence of a person after formal search procedures have been initiated by the agency. Reasoned judgments, taking into consideration the person’s habits, deficits, capabilities, health problems, etc., determine when formal search procedures need to be implemented. It is required that formal search procedures must be initiated immediately upon discovery of an absence involving a person whose absence constitutes a recognized potential danger, except as defined in clause (c) of this subparagraph, to the wellbeing of the person or others;

(e) **Choking, with known risk.** The partial or complete blockage of the upper airway by an inhaled or swallowed foreign body, including food, that leads to a partial or complete inability to breathe, involving an individual with a known risk for choking and a written directive addressing that risk;

(f) **Choking, with no known risk.** For the purposes of this paragraph, partial or complete blockage of the upper airway by an inhaled or swallowed foreign body, including food, that leads to a partial or complete inability to breathe, other than a choking, with known risk, incident (see clause (e) of this subparagraph), involving an individual with a known risk for choking and a written directive addressing that risk;
(g) **Self-abusive behavior, with injury.** A self-inflicted injury to an individual receiving services that requires medical care beyond first aid;

(h) **Injury, with hospital admission.** An injury that results in the admission of a service recipient to a hospital for treatment or observation, except as defined in clause (g) of this subparagraph;

(i) **Theft and financial exploitation.** Any suspected theft of a service recipient's personal property (including personal funds or belongings) or financial exploitation, involving a value of more than $100.00; theft involving a service recipient's credit, debit, or public benefit card (regardless of the amount involved); or a pattern of theft or financial exploitation involving the property of one or more individuals receiving services;

(j) **Other significant incident.** An incident that occurs under the auspices of an agency, but that does not involve conduct on the part of a custodian, and does not meet the definition of any other incident described in this subdivision, but that because of its severity or the sensitivity of the situation may result in, or has the reasonably foreseeable potential to result in, harm to the health, safety, or welfare of a person receiving services

**Reportable Incidents – Significant Incidents (#9 above) MUST be reported to:**

- **Justice Center:** every direct witness and the first-line supervisor must report unless:

  - that he or she has been named in that report as a person with knowledge of the incident.

Having knowledge the report was made may include witnessing, reading, or overhearing the report being made to the VPCR. Although not required, obtaining the "confirmation number" from the person who reported the incident may be a good way to document the basis not to make a duplicate report to the VPCR. **Notable Occurrences**

Notable occurrences are events or situations that meet the definitions in this section and occur under the auspices of an agency. Serious notable occurrences must be reported to OPWDD IMU. Minor notable occurrences do not require immediate notification to OPWDD. Follow your agencies process for reporting minor notable occurrences. Serious and minor notable occurrences are defined and categorized as follows:

(i) **Serious Notable Occurrences**

(a) **Death.** The death of any person receiving services, regardless of the cause of death. This includes all deaths of individuals who live in residential facilities operated or certified by OPWDD and other deaths that occur under the auspices of an agency. Death also meets the definition of a reportable incident must be reported both as the reportable incident and as a notable occurrence.

(b) **Sensitive situations.** Those situations involving a person receiving services that do not meet the definitions of other incidents in section 624.3 of this Part or in this subdivision, but that may be of a delicate nature to the agency, and are reported to ensure awareness of the circumstances. Sensitive situations must be defined in agency policies and procedures, and include, but not be limited to, possible criminal acts committed by an individual receiving services.

(ii) **Minor Notable Occurrences**

(a) **Theft or financial exploitation, minor notable occurrence.** Any suspected theft of a service recipient’s personal property (including personal funds or belongings) or financial exploitation, involving values of more than $15.00 and less than or equal to $100.00, that does not involve a credit, debit, or public benefit card, and that is an isolated event; and

(b) **Injury, minor notable occurrence.** Any suspected or confirmed harm, hurt, or damage to an individual receiving services, caused by an act of that individual or another, whether or not by accident, and whether or not the cause can be
identified, that results in an individual requiring medical or dental treatment by a physician, dentist, physician's assistant, or nurse practitioner, and such treatment is more than first aid.

**Serious Notable Occurrences MUST be reported to OPWDD – IMU:**

Reporting Deaths

Participant Manual p20

Special considerations for reporting deaths:

Deaths of individuals who received services operated or certified by OPWDD at the time of death or within 30 days of the death must be reported to the Justice Center. Reporting is required for both deaths that are under the auspices of the agency and deaths that are not under the auspices of the agency.

The Justice Center requires that deaths be reported to the (VPCR) Death Reporting Line at 1-855-373-2124, which is a distinct reporting line and is separate from the VPCR Hotline to report abuse, neglect, and significant incidents. Only the agency Director, or his or her designee, is authorized to report deaths to the Justice Center.

All deaths must also be reported to OPWDD as serious notable occurrences.

An employee who becomes aware of a death should immediately report the death to his/her supervisor.

In addition, if the death is related to a reportable incident (examples include but are not limited to allegations of abuse/neglect or choking with known risk), it must be reported to the Justice Center VPCR Hotline (or the Incident Submittal Web Form must be submitted) following all reporting requirements for the appropriate Reportable Incident category.

REMEMBER
If you witness or discover a reportable incident, possible abuse/neglect, or notable occurrence, you are expected to take the following actions:

• IMMEDIATELY INTERVENE to stop the abuse (if applicable)

• PROTECT the individual from further harm and get medical help if needed

• IMMEDIATELY REPORT the incident to your supervisor

• If the person you suspect of abuse is your supervisor, you should immediately report the abuse to his/her supervisor, the Executive Office of your agency. After hours, you may report to your Administrator on Duty (AOD) or Executive designee.

• If it is a Reportable Incident in a State Operated program or Voluntary certified program, it MUST be reported to the Justice Center and OPWDD IMU. Voluntary Operated non-certified services must report to OPWDD IMU only.
• If it is a Serious Notable Occurrence, it must be reported to the OPWDD IMU as described above – this is completed by one designated staff, not all witnesses

• Remember that Notable Occurrences are NOT reported to the Justice Center

• Reporting must be timely. Events that require immediate notification MUST be completed as soon as practicable. Even if your shift ends, if you are required to notify the Justice Center

• Be honest and truthful when reporting

• Maintain information confidentiality

• Cooperate fully with investigations

• Work to repair damaged relationships with individuals following an incident

• Remember that failure to take action may in and of itself be considered abuse
Notification requirements have been established to ensure that the appropriate people are notified when an incident occurs. Reporting requirements are tied to the level and type of incident or situation. Notification requirements and guidance regarding responsible personnel are available and well documented on the OPWDD website on the Incident Management webpage at the link below:

http://www.opwdd.ny.gov/opwdd_resources/incident_management/justice_center

Information Sharing and Confidentiality

OPWDD takes its responsibility to support staff that follow policies and procedures very seriously. It is expected that staff will be honest and accurate when providing information within the context of an investigation. It is important also, that staff avoid breaching confidentiality by refraining from discussing the incident with co-workers, friends or people outside of work. Even a casual mention in a text message, in the parking lot, at a restaurant, or on Facebook or other social media, must be avoided.

Jonathan’s Law was put into place to govern the way in which information and reports of investigations are shared, and with whom. You may be asked for information by family members or advocates about the investigation progress or your involvement. You should refer the person requesting information to your supervisor so that only the appropriate people share information with those with a right to know.

Notification Process Overview

- Once an incident has been reported, the process for notifying the appropriate people who need to know comes into play. Depending on your job responsibilities, you may have a role in making notifications beyond your supervisor. **EVERY WITNESS, as well as the first-line supervisor, to a reportable incident is REQUIRED to report to the Justice Center unless** he or she knows that the report has already been made by another mandated reporter; and that he or she has been named in that report as a person with knowledge of the incident. **This needs to be done as soon as practicable.** All calls to the Justice Center are recorded. **ONE person (typically a supervisor) must report to the OPWDD Incident Management Unit.**
Intermediate Care Facilities for Individuals with Intellectual Disabilities

An ICF/IID is an institution for persons with developmental disabilities that:

1. Is primarily for the diagnosis, treatment, or rehabilitation of the developmentally disabled persons or persons with related conditions; and

2. Provides, in a protected residential setting, ongoing evaluation, planning, 24-hour supervision, coordination, and integration of health or rehabilitative services to help each individual function at his or her greatest ability.

There are special requirements that must be considered for individuals residing in an ICF/IID. In particular, an ICF/IID must comply with the requirements of Section 1150B of the Social Security Act, and ensure that the requirements found in Part 483 regarding incidents and allegations are adhered to.

Section 1150B of the Social Security Act (Reporting to Law Enforcement of Crimes Occurring in Federally Funded Long-Term Care Facilities):

Section 1150 B of the Social Security Act established by section 6703(b) (3) of the Patient Protection and Affordable Act of 2010 (Elder Justice Act) requires reporting of any reasonable suspicion of crimes committed against any resident living in a residential facility. The Centers for Medicare and Medicaid services issued a survey and certification memo on June 17, 2011 and revised on January 20, 2012 entitled “Reporting Reasonable Suspicion of a Crime in a Long-Term Care Facility (LTC): section 1150B of the Social Security Act.”

Each employee is individually responsible to report the reasonable suspicion of a crime against a resident. Employees who fail to report are subject to a civil penalty and exclusion from participating in any Federal health care program.

Reports of the reasonable suspicion of a crime against a resident of an ICF/IID must be made in accordance with your agency policy.

The agency which operates the ICF/IID may not retaliate against any employee who lawfully reports the reasonable suspicion of a crime against a resident as provided in Section 1150B of the Social Security Act.

The agency may not discharge, demote, suspend, threaten, harass, or deny a promotion or other employment-related benefit to an employee, or in any other manner discriminate against an employee, in terms and conditions of employment because of lawful acts done by the employee for making a report, causing a report to be made, or for taking steps in furtherance of making a report pursuant to the Act.
The agency may not file a complaint or report against a nurse or other employee with the appropriate state professional disciplinary agency because of lawful acts done by the employee for making a report, causing a report to be made, or for taking steps in furtherance of making a report pursuant to the Act.

An employee may file a complaint with the New York State Department of Health against this facility if this facility retaliates against an employee who has lawfully reported the suspicion of a crime against a resident. To file a complaint for programs surveyed by the Department of Health, you may call the New York State Department of Health’s Centralized Complaint Intake Hotline at 1-888-201-4563.

Requirements of 42 CFR 483 regarding abuse and incident management:

ICF/IID federal regulations in 42 CFR 483.420 specify that an ICF/IID "must ensure that all allegations of mistreatment, neglect, and abuse, as well as injuries of unknown source, are reported immediately to the administrator or other officials in accordance with State law through established procedures", and that the agency "must have evidence that all alleged violations are thoroughly investigated." The use of the term "violation" in this context refers to allegations of mistreatment, neglect, and abuse, as well as injuries of unknown source.

ICFs/IID must comply with the federal regulations in Part 483 and state regulations in Part 624. ICFs/IID meet the state and federal incident management requirements by complying with Part 624, including provisions in Part 624 that reference additional federal requirements that the ICFs/IID must also comply with.

Incidents of abuse, neglect, and mistreatment that occur under the auspices of an ICF/IID are to be categorized, reported, and managed as reportable abuse, neglect, and abuse, as well as injuries of unknown source in accordance with Part 624. Notable occurrences in ICFs/IID must also be reported in accordance with Part 624.

Some events and situations (including abuse or neglect) that involve ICF/IID residents, but do not occur under the auspices of the ICF/IID, may be managed in accordance with Part 625; however, these events and situations must be reported and thoroughly investigated in accordance with federal regulations that are more stringent than those in Part 625.
Unit 6 – Part 625

Events and Situations that are not under the auspices of an agency

*Participant Manual p25*

*Say:*

OPWDD supports individuals to live the richest, most independent lives possible. This means supporting people to engage in activities of their choosing at work, in the community, with their friends and family, etc.

**Part 625** directs how OPWDD will intervene in events or situations which are NOT “under the auspices” of an agency. “Not under the auspices” basically means that the individual receiving services is not directly under the supervision of agency staff at the time of the event.

Definitions for Part 625 are different from those found in Part 624. Additionally, there are different requirements for responding to a Part 625 event.

Part 625 requires that if an agency becomes aware of an event or situation that occurred in a facility or service setting subject to the oversight of another State Agency (e.g., school, hospital, doctor’s office) the agency must notify the management of the facility or service setting.

If the event or situation occurred in a facility or program in the OPWDD system, the agency must notify the agency operating the facility or program. **IMPORTANT – if the facility or program is certified or operated by OPWDD, any employee who becomes aware of a reportable incident must also report the incident to the Justice Center.**

Per Part 625, the agency shall intervene in an event or situation that meets the definition of physical, sexual, or emotional abuse; active, passive, or self neglect; or financial exploitation by taking actions to protect the involved individual with developmental disabilities. Such actions, as appropriate, may include but are not limited to the following:

1. notifying an appropriate party that may be in a position to address the event or situation (e.g. Statewide Central Register of Child Abuse and Maltreatment, Adult Protective Services, law enforcement officials, family members, school, hospital, or the Office of Professional Discipline);

2. offering to make referrals to appropriate service providers, clinicians, State agencies, or any other appropriate parties;

3. interviewing the involved individual and/or witnesses;

4. assessing and monitoring the individual;

5. reviewing records and other relevant documentation; and
6. educating the individual about his or her choices and options concerning the matter.

Refer to Handout #3 (See Handouts in the back of Manual):

Part 625 events or situations are reported to OPWDD via IRMA within 24 hours, or by the close of the next business day, of occurrence or discovery of the event or situation. This initial information will include actions taken by the agency, including protections. Updates will be made in IRMA on a monthly basis until the situation is resolved. OPWDD has the right to investigate such events and situations, and make recommendations to the agency.

INSTRUCTIONS FOR COMPLETING FORM OPWDD 147
(Revised 01/2016)

Use of Form OPWDD 147: All agencies may use Form OPWDD 147 to report reportable incidents, serious notable occurrences and minor notable occurrences classified as theft/financial exploitation as defined in Part 624. Incidents must be entered into the Incident Report and Management Application (IRMA) within 24 hours or by the close of the following business day.

All agencies must use Form OPWDD 147 to report minor notable occurrences classified as injury as defined in Part 624 unless they are entered into IRMA. In the case of a voluntary provider, this is at the discretion of the agency.

Intent of the Form: Form OPWDD 147 is intended to be used specifically for the purpose of identifying and recording that an event which must be reported in conformance with Part 624 has occurred. However, the OPWDD 147 is only required when the incident is classified as a minor notable injury and is not recorded in IRMA. For reportable incidents, serious notable occurrences and minor notable occurrences classified as theft/financial exploitation, entry into IRMA must be completed. It is not intended to capture information collected subsequent to the identification of the event. (e.g. investigation reports, medical reports or findings, standing committee review documentation, etc.).

Obtaining Form OPWDD 147: The form is available on the OPWDD website at http://www.opwdd.ny.gov/opwdd_resources/incident_management/forms

General Instructions for Completing Form OPWDD 147:

- Type or print legibly, using a dark colored ink that will reproduce when photocopied.
- Enter the complete names of agencies and facilities, as appropriate.
- The staff who may complete Form OPWDD 147 are to be designated in agency policy.
- Full names of persons receiving services and staff are to be used in completing Form OPWDD 147.
- Complete each line or box; if the requested information is not applicable, enter “N/A.”
- It is possible that not all requested information will be available at the time the form is completed. Complete the form as thoroughly as possible.

Line-by-Line Instructions for Completing Form OPWDD 147

Item 1 – AGENCY COMPLETING THIS FORM:
Enter the name of the agency that is initiating the report (this is the agency under whose auspices the event occurred.).
Item 2 – FACILITY:
Enter the name of the facility where the event occurred or is alleged to have occurred. For family care homes, the sponsoring agency is to enter the name(s) of the certified provider(s). Enter N/A if the location is a non-certified site.

Item 3 – PROGRAM TYPE:
Specify the type of facility identified in Item 2 by the following classifications (the initials may be used):
- Supervised Individualized Residential Alternative (IRA - Supervised)
- Supportive Individualized Residential Alternative (IRA - Supportive)
- Intermediate Care Facility (other than a DC) (ICF)
- Developmental Center (DC)
- Small Residential Unit (SRU)
- Family Care (FC)
- Supervised Community Residence (CR - Supervised)
- Supportive Community Residence (CR - Supportive)
- Free Standing Respite (FSR)
- Residential School (RS)
- Day Habilitation Site (DH)
- Day Treatment (DTX)
- Day Training (DT)
- Clinic (C)
- If none of the above, specify

If the site is a non-certified location, be as specific as possible.

Item 4 – ADDRESS:
Enter the complete address of the facility or non-certified location identified in Item 2.

Item 5 – PHONE:
Enter the telephone number, including the area code, of the facility or non-certified location identified in Item 2.

Item 6 – MASTER INCIDENT NUMBER:
Each incident being reported in IRMA will be assigned a Master Incident Number (MIN). If there is more than one person receiving services involved in the reported incident, the same MIN is to be specified on each report.

Item 7 – AGENCY INCIDENT NUMBER:
Each incident being reported may be assigned an agency incident number in addition to the MIN, if applicable. It would be beneficial if the numbering system enabled the agency to distinguish between those incidents that occur in a facility and those that occur at a non-certified location. If there is more than one person receiving services involved in the reported event requiring the filing of more than one report (when there are different classifications), the same incident number is to be specified on each report.

Item 8 – WAS AN OPWDD 147 PREVIOUSLY SUBMITTED?
Indicate if an OPWDD 147 was previously submitted regarding the incident.
Item 9 – NAME OF PERSON RECEIVING SERVICES (LAST, FIRST):
Enter the full name of the person receiving services to which the incident occurred by entering the last name and then the first name (carefully check spelling). Do not use nicknames or initials. If more than one person receiving services is involved in the same event, it is permissible to note, “see attached,” and to attach a list of names with appropriate information.

Item 10 – DATE OF BIRTH:
Enter the date of birth of the person receiving services whose name appears in Item 9.

Item 11 – GENDER:
Check “M” for male or “F” for female for the person receiving services whose name appears in Item 9.

Item 12 – TABS ID:
Enter the TABS ID number used for the person receiving services by the agency.

Item 13 – RECEIVES MEDICATION:
Indicate whether the person receiving services (name in Item 9) is taking any medications. This includes medications taken orally (by mouth), topically (applied to the skin) or any other route. If you do not know whether medication is received check the box, “unknown by the person completing the form.”

Item 14 – DATE AND TIME INCIDENT WAS OBSERVED/DISCOVERED:
Indicate whether the date and time entered in this section was that of observation, or discovery by making an “X” in the appropriate box. If the report is made at the time the event took place (or immediately subsequent to it), mark the “observed” box. If the report is made at another time (hours, days, weeks later) because it was discovered or reported at a later date, rather than when witnessed and reported immediately, mark the “discovered” box, even if the exact time the event took place is reported then. Complete the rest of the Item by filling in the month, day (date), year, hour, and minutes using the boxes provided. One number only should be entered in each division. Make an “X” in the applicable box to indicate whether the time is between midnight and 11:59 (A.M.) or between noon and 11:59 (P.M.). The next item records the date and time the event occurred. If the report is made out immediately, based on observation, the dates and times in Items 14 and 15 would be the same.

Item 15 – DATE AND TIME INCIDENT OCCURRED, IF KNOWN:
If the event was witnessed, this would be the same date and time as the previous entry. If the event was “discovered” (learned about later or reported at a later date, rather than when witnessed and reported immediately), and the person receiving services or staff can provide information as to the date and time the event was supposed to have happened, it would be entered here.

Item 16 – NUMBER OF PERSONS RECEIVING SERVICES PRESENT AT TIME OF INCIDENT:
The purpose of Items 16 and 17 is to provide information to investigators about potential witnesses. Enter only the number of persons receiving services who were in reasonable proximity to the event, including the person(s) identified in Item 9. Include all persons
receiving services who could potentially have witnessed the event or who were close enough to have heard something, depending on the circumstances.

Item 17 – NUMBER OF EMPLOYEES PRESENT AT TIME OF INCIDENT:
The purpose of Items 16 and 17 is to provide information to investigators about potential witnesses. Enter only the number of employees who were in reasonable proximity to the event. Include all employees who could potentially have witnessed the event or who were close enough to have heard something, depending on the circumstances. For the purposes of this item, include consultants, contractors and volunteers in the number reported.

Item 18 – PRELIMINARY CLASSIFICATION:
In addition to other required notifications reportable incidents must be reported to the Justice Center if the program is certified or operated by OPWDD. Check one box which most closely describes the situation. Do not add a category not listed. Make the decision based on the definitions in Part 624. If the situation could be classified in more than one category the most serious category should be checked. The Justice Center and/or OPWDD is the ultimate decision maker of classification, therefore, this preliminary classification may be changed at any time.

Item 19 – SPECIFIC LOCATION WHERE INCIDENT OCCURRED:
Check only one box. If the location where the event occurred is not listed, check “Other” and specify the location.

Item 20 - DESCRIPTION OF THE INCIDENT:
(Note: To the extent possible, this should be completed by the person who observed and/or discovered the incident or it should be a verbatim description provided by a person who observed and/or discovered the incident/allegation) A clear, concise description of those facts known at the time the report is being completed must be provided here without speculation or opinion. The description should cover the “who,” “what,” “where,” “when,” and “how” of the incident. The full names of all persons receiving services, staff, and others who are involved in the incident must be listed. DO NOT USE INITIALS. When providing the “who” information, be sure to include the names and title (or other appropriate descriptor) of those involved. Also list the full names of persons known to have witnessed the event. If additional space is needed, continue the description on a separate sheet of paper.

Item 21 – IMMEDIATE CORRECTIVE/PROTECTIVE ACTIONS:
List all the corrective/protective actions taken to ensure the health or safety of those receiving services is maintained. This should include, but is not limited to any initial medical/dental treatment (including first aid) or counseling provided. Other examples are: increased supervision, correction of hazardous conditions, training provided, etc. Include a brief description of these actions (attach another sheet of paper, if necessary).

Item 22 – NOTIFICATION TO JUSTICE CENTER AND/OR LAW ENFORCEMENT:
14 NYCRR Part 624.6(d) requires that an appropriate law enforcement official must be contacted immediately in the event that an emergency response by law enforcement is needed. Also, agencies shall report to an appropriate law enforcement official anytime a crime may have been committed against an individual by a custodian. The report must be...
made as soon as practicable, but in no event later than 24 hours after occurrence or discovery. On the Form OPWDD 147, indicate if a referral was made to law enforcement and/or if the incident was reported to the Justice Center by checking the appropriate box. Enter the date and time that law enforcement and/or the Justice Center was notified, the name of the law enforcement official who was contacted and/or the Justice Center identifier, given to you by the call center staff who takes your call, the name of the party (staff) who made the notification to law enforcement, and the name of the law enforcement agency that was contacted (e.g. New York State Police – Troop E, Dutchess County Sheriff’s Office, Herkimer County DA, Buffalo Police Department, etc.).

3) SOICF State Operated Intermediate Care Facility
4) VOICF Voluntary Operated Intermediate Care Facility
5) FC Family Care
6) DC Developmental Center
7) CR Community Residence
8) Other

Item 25 – NAME OF PARTY COMPLETING ITEMS 1-24, TITLE, DATE:
The party completing Items 1-24 of this form is to print his or her name and title, and to enter the date that Items 1-24 were completed.

Item 26 – NAME OF PARTY REVIEWING ITEMS 1-25, TITLE, DATE:
The party completing the review of Items 1-25 of the form is to print his or her name and title, to sign in the space designated, and to enter the date of the review. The person signing this section is indicating that the information in Items 1-25 is as accurate and complete as can be immediately determined. Corrections or additions can be made at a future date in the file. However, distribution of this form is not to be delayed pending this entry.

Item 27 – NOTIFICATIONS:
Various notifications are required following an incident. Refer to the specific requirement in Part 624 to determine if a particular notification must be made and determine the timeframe required for that notification. If a notification is made to any of the specific entities that are listed, enter the date, time, name of the party notified, name of the party (staff) making the notification, and the method of notification (e.g. phone, fax, etc.) on the OPWDD 147 form. Although not specifically listed, additional notifications may be required for incidents and abuse involving Willowbrook Class Members in certain circumstances. OPWDD recognizes
that the required timeframes for some notifications exceed the timeframe for completion of the OPWDD 147. Do not delay completion of the OPWDD 147 until after all required notifications have been made. List only the notifications that were made prior to the completion and submission of the OPWDD 147.

Item 28 – ADDITIONAL STEPS TAKEN TO ENSURE THE INDIVIDUAL’S SAFETY: In addition to the immediate steps taken noted in Item 21, use this space to record any added or modified steps taken to provide protection/safety of persons receiving services and any other additional information. Use of Form OPWDD 150: Agencies must enter Events/Situations as defined in Part 625 into the Incident Report and Management Application (IRMA). Agencies may choose to use the Form OPWDD 150 to record these Events/Situations internally.

Intent of the Form: Form OPWDD 150 is intended to be used specifically for the purpose of recording that an event which must be reported in conformance with Part 625 has occurred. It may be the first documentation of that event. For Events/Situations as defined in Part 625, the Event/Situation must be entered into IRMA.

Obtaining Form OPWDD 150: The form is available on the OPWDD website at www.opwdd.ny.gov.

General Instructions for Completing Form OPWDD 150:

- Type or print legibly, using a dark colored ink that will reproduce when photocopied.
- Enter the complete names of agencies and facilities, as appropriate.
- The staff who may complete Form OPWDD 150 are to be designated in agency policy.

- Complete each line or box; if the requested information is not applicable, enter “N/A.”
- It is possible that not all requested information will be available at the time the form is completed. Complete the form as thoroughly as possible.
- If an event or situation involves more than one person receiving services, and the description of the event/situation is the same concerning all persons, a single OPWDD 150 should be completed for the event or situation, and an Event/Situation created in IRMA. For statistical purposes, this is considered one event.

Item 14 – PRELIMINARY CLASSIFICATION: Check one box which most closely describes the Event/Situation. Do not add a category not listed. Make the decision based on the definitions in Part 625. If the situation could be classified in more than one category the most serious category should be checked.

Item 15 – REFERRALS: Use this space to record any referrals made in response to the Event/Situation for the benefit of the person.

Item 16 – ACTION TAKEN Use this space to select actions taken to provide protection/safety of persons receiving services and any other additional information.

Item 17- DESCRIPTION OF THE EVENT/SITUATION: (Note: To the extent possible, item 17 should be completed by the person who observed and/or discovered the incident/allegation): A clear, concise description of those facts known at the time the report is being completed must be provided here without speculation or opinion. The description should cover the “who,” “what,” “where,” “when,” and “how” of the Event/Situation. The full names of all persons with developmental disabilities and others who are involved in the Event/Situation must be listed, if known. DO NOT USE INITIALS. When providing the “who” information, be sure to include the names (or other appropriate descriptor) of those involved. Also list the full names of persons known to have witnessed the event. If additional space is needed, continue the description on a separate sheet of paper.

Item 18 – SUMMARY OF RESOLUTION OF EVENT/SITUATION: (conclusions from IRMA)

Item 19 - NOTIFICATIONS: These fields should be used if notifications are made to address an event or situation. Notifications are required in some specific circumstances (e.g. mandated reporters are required to report suspected child abuse to the Statewide Central Register of Child Abuse and Maltreatment; incidents occurring under the auspices of a school or hospital are required by Part 625 to be reported to management of the school or hospital; deaths must be reported to the Justice Center Death Reporting Line). In other cases, notifications may be made as an element of the intervention (e.g. to family members, law enforcement, Adult Protective Services). Note that the requirements for notifications in Part
624 do NOT apply to events/situations reported in Part 625 (e.g. “Jonathan’s Law” notifications, MHLS notifications). See Sections 625.3 and 625.5 for more specifics.

Item 20 – PRINT NAME OF PARTY COMPLETING FORM: Print the name of the party completing the form and with their Title and Date the form.
