MSC Redesign Training Resources

With the redesign of the Medicaid Service Coordination program in October 2010 OPWDD held a number of forums and informational sessions to communicate to parents, families, individuals, MSC providers and other stakeholders regarding the changes to MSC and OPWDD's expectations related to the delivery of MSC services.

Various documents are available on the OPWDD Internet web site related to the changes associated with the redesign of Medicaid Service Coordination. These include: Administrative Directives, Power Point Presentations, Questions and Answers, MSC Forms and other useful information.

These documents can be accessed via the following link:

http://www.opwdd.ny.gov/hp_msc_redesign.jsp

Provider Agencies and Associations are authorized and encouraged to use these documents and to share them with their staff and association members for the purpose of providing additional training to staff on the changes to the MSC program. The documents mentioned above reflect the expectations of OPWDD related to the provision of MSC services and should not be modified or altered.

There are two upcoming opportunities for training on the MSC Redesign:
