Participation in Medicaid Service Coordination (MSC) Online Survey

A letter from Commissioner Diana Ritter announcing changes to be made to the MSC program effective October 2010 was recently sent to individuals, families and advocates. The MSC changes are necessary to ensure sustainability of the service for years to come while achieving necessary efficiencies as required in the proposed Executive State Budget for State Fiscal Year 2010-2011. A copy of the letter is separately attached.

To include the concerns of all stake holders in the decision making process, Commissioner Ritter invited individuals, families and advocates to complete an online survey. MSC service coordinators and MSC supervisors are also invited to complete the survey. The online survey is available until May 28, 2010 and can be accessed via the following link:
