Upstate	Broome, Capital District, Central, Finger Lakes, Sunmount, Taconic, Western	\$150,500

In order to ensure sufficient funding levels are allocated to support the community placement of individuals currently residing in campus programs, all populations will be provided funding at the “specialized” level of care, including those residing in:

- MDUs
- DCs (this includes the medically frail)
- CRPs
- LIT’s
- AUTISM UNITs

- OUT OF STATE/IN STATE RESIDENTIAL SCHOOLS

While at a minimum there will be *specialized* level of care funding for all individuals moving out of the above placements, there may be some individuals that require a more “highly complex” funding level based upon the intensity/severity/persistence of their behavioral management and oversight needs; this includes those individuals residing in:

- OUT-of- STATE PLACEMENTS; e.g., JRC individuals with GEDs
- CITs and RITs
- Individuals residing in the locations identified under the *specialized* level of care who are identified as requiring a more *highly complex* funding level

All funding allocation requests for individuals with “highly complex” needs must be reviewed on a case-by-case basis and will require approval by an Associate Commissioner.
