Community Lawn Care and Maintenance – Taconic DDSOO – TAC111919

### **Questions and Answers:**

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

**1. Question: Do I need to bid on every single cluster listed in the IFB?**

Answer: No, you do not need to bid on every cluster, only the cluster(s) that you are interested in. However, you must bid on and service each house within those clusters.

**2. Question: Do I bid for 35 mows or for 25 mows?? How many mows per year?**

Answer: Grass shall be maintained at a height of 2.5 to 3.5 inches as conditions dictate. There is no set amount of mowing per year; the winning bidder must maintain the lawn to the specifications set forth in the scope of work.

**3. Question: Do I have to bid on and service every home within a cluster, or can I bid on partial clusters?**

Answer: You must bid on and service all sites within a cluster in order to be considered for that cluster. All sites within a cluster must be serviced by the winning bidder.
