The Act authorizes the State Attorney General to sue a business violating the statute in order to recover damages for actual costs or losses, including consequential financial losses incurred by persons entitled to notification. If a business engages in knowing or reckless violations, the court can impose a civil penalty of the greater of \$5,000 or \$10 per instance of failed notification up to \$150,000. Reporting will be required via the utilization of two separate forms – "Form A" and "Form B".

In general, however, Form A is to be completed once upon initial contract award and is used to report "planned employment". Form B is required annually and reports on "actual employment figures" for the preceding state fiscal year. The New York State fiscal year commences on April 1st and concludes on March 31st.

17. Evaluation Criteria: Method of Award

There are Six (6) Counties; each county will be evaluated separately. OPWDD will select the responsible and responsive Bidder(s) that will provide the lowest Total Annual Estimated Combined Cost per county.

The Cost Proposal Form provides estimated annual footage. These are estimates only. Payment will be made on actual services rendered.

Total Annual Estimated Combined Cost for each county will be calculated by adding the sum of:
(A) Residential Interior Painting bid price per sq. ft. walls multiplied by Estimated Annual Footage.

(B) Residential Interior Painting bid price per linear ft. trim multiplied by Estimated Annual Footage.

(C) Commercial Interior Painting bid price per sq. ft. walls multiplied by Estimated Annual Footage.

(D) Commercial Interior Painting bid price per linear ft. trim multiplied by Estimated Annual Footage.

(E) Wallpaper removal bid price per sq. ft. walls multiplied by Estimated Annual Footage.

Record all Total Annual Estimated Combined Costs per County, for which you are bidding, on page 25 of the Cost Proposal.

In the event of mathematical errors, calculations will be done using per sq. ft. walls and per linear ft. trim bid prices.

Contractors may bid on one or multiple counties. Multiple contracts may be awarded. All sites included in a county are to be serviced by the bidder who is awarded the contract for that county. Only proposals judged to be responsive to the submission requirements set forth in this IFB will be evaluated. OPWDD reserves the right to reject any and all offers.

In the event of a tie bid, the award will be made by random selection.
