Snow & Ice Removal Services – Finger Lakes DDSOO- FL 081720

### **Questions and Answers:**

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

1. **Question:** This contract looks like it is pricing plowing and salting separately. In the past, there was a price to plow and salt and a price to salt but no price to just plow. Am I correct that this has been changed?

**Answer:** Yes, previous bid forms have asked for a combined cost per plow and salt and a separate cost per salt. This Invitation for Bid's cost proposal form requires bidders to provide a snow removal price per event and a de-icer price per event.

2. **Question:** I noticed that the Wyoming County, Perry location is not on the bid. Will you be sending something out separately for this location?

**Answer:** The Wyoming County, Perry location is not currently out to bid. This Invitation for Bid is only for Chemung, Livingston, Monroe, Ontario, Schuyler, Steuben and Yates Counties at locations detailed within the cost proposal forms.
