Amendments to Section 14 NYCRR 633.17**

Consensus Rulemaking Regulations

Effective Date: November 18, 2020

- **Existing Subparagraph 633.17(a)(18)(i) is amended to read as follows:**
 - (i) Residential facilities shall ensure that a review of a person's medication regimen is conducted on no less than an [semi-]annual basis, or more frequently as needed. The review shall be made by a registered nurse, physician, physician's assistant or pharmacist.
