Questions and Answers:

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

- 1. Question:** Does OPWDD require contractors to have a license to provide chemical application services, under the terms of this contract?

Answer: No. Chemical application is not included under this contract and is listed under Section II. EXTRA SERVICES. Contractor may provide a price quotation for these “Extra Services” upon request. “Extra Services” are not included in the price of this contract. A purchase order authorizing services will be issued prior to commencement of any “Extra Services” and are not to be provided without prior authorization.
