### **Questions and Answers:**

Below is a compilation of the questions received for this bid. Questions that were repeated, or of a recurring nature, were consolidated. Thank you very much for your interest.

- 1. Question: May I have the current contract prices for all locations in both clusters?; What is the current incumbent company?; What is the incumbent full contract price?**

**Answer: This is the first time that these services have been released for bid. There is no incumbent vendor or historically pricing.**
